Reedsport Braves Boosters Association Annual Fund Drive

The Reedsport area is fortunate to have a rich history of memories and support for our team— the Braves. Now more than ever, your support can help ensure the Braves continue to take the field, course, court and mat. As district funding for our athletic and activity programs continues to decrease, the Braves Boosters Association is being relied upon for more and more support of these programs.

Since the late 1960s, the Braves Boosters have been committed to this challenge. As times change, so does our organization. We are taking steps to modernize our organizational structure. We are seeking more grants and corporate donations. We are working with our schools to introduce a “work-to-play” program, to complement the existing “pay-to-play” fees. We are also strengthening our accountability efforts within our various endowment funds. What hasn’t changed is the need for a successful Annual Fund Drive to help us keep the Braves in the game.

We invite you to join us in making a commitment to our student-athletes. A donation form is on the reverse side. Even if you cannot contribute financially at this time, please remember that **your donation of TIME, and attendance at school athletic events, are every bit as valuable as monetary donations!**

Together, we can help ensure the legacy of the Reedsport Braves shines on!

Annual Fund Drive Donation Form

The **Reedsport Braves Boosters Association** is a non-profit organization involved in projects that support the athletic and activity programs for students in the Reedsport School District. Our supporters generously donate their time and money year-after-year in support of these programs. This support comes from local residents, alumni, friends and families across the country and beyond.

It's easy to be a **Braves Booster**-- just a little bit of your **time**, a little bit of **money**, or both. Some of our supporters like to be actively involved at nearly every athletic event. Some give their time to specific events throughout the year. Others help with ongoing maintenance projects at our athletic facilities. And many more simply lend their support through an annual donation.

To make a contribution of time or money, simply fill out this form, and bring it to any Boosters event, or mail it to:
